

TROPIC ISLAND RESORT PET POLICY

RV:

RV guests are allowed two pets (cat or dog) in the park. We **DO** have breed restrictions. Absolutely no aggressive or continually barking dogs will be allowed. If you bring one, you will be asked to leave with no refund.

All dogs are required to be in visual observation of their owner at all times. The 6-foot leash rule is in effect although you may use a retractable leash. Pets may NOT be tied outside the RV and left unattended. Use of pet cages is allowed.

You MUST clean up after your pet immediately and dispose of it in the trash. Doggie bags are provided for your use. Use only designated areas for your dog to do its duty. Do not allow it to use any RV space. Please do not allow your pet to relieve itself on shrubs, flowerbeds, or buildings.

If your pet damages any part of the resort, you will be financially responsible and your credit card will be charged a minimum of \$250.00.

Pets are not allowed in the pool area, rec room, laundry facility or other common areas.

Washing of pet bedding is not allowed in the guest laundry. Cats are NOT allowed to roam freely and must remain in the RV.

ROOMS:

In addition to the above regulations for our RV guests, guests in our rooms are allowed up to two dogs in select rooms. A nonrefundable pet fee of \$50.00 will be charged. Dogs must weigh 40 pounds or less. Dogs must be kenneled if left alone in the room. If your dog causes damage to the room or any other area of the resort, you will be responsible for the damage and your credit card will be charged a minimum of \$250.00. Dogs may not be tied up outside of the rooms. No other animal is allowed in the rooms. Dogs must stay off bedding and furniture.
